

# MINI-KART

Made in Germany

approved safety - made in Germany

## Experts say it's "indestructible"

The RIMO Mini-Kart is constructed on the same principles as our top model - the EVO.

This kart succeeds in combining perfect quality with the safety required in a professional hire kart for children - indoor as well as outdoor. It is ideal for children 8 years and older.

### Technical data RIMO Mini-Kart:

**Frame:** ø 31,8 mm frame made with special alloy and heat-treated for strength and longevity

**Drive Shaft:** ø 30 mm rear axle with 3 bearing housing for easy mounting of rear axle.

**Brakes:** Mechanical brake, made of aluminum housing and double safety pulley system for durability.

**Safety:** Surround double-tube protection which, due to a floating built-in system, offers the ideal protection of the occupant, steering system and components from collision forces from all directions. Fiberglass rear axle cover.

**Drive:** Chain drive is standard, drive belt as option.

**Engine:** 4.0 HP Honda GX 120

**Weight:** 102 kg

**Length:** 1660 mm

**Width:** 1260 mm

**Height:** 520 mm
